Exercise #3: Database Searching

Find one peer-reviewed journal article from either *JSTOR*, *EBSCOhost/Academic Search Premier or Google Scholar* that contains scholarly information on your topic. The journal article must include the full-text and have been published between the years 2010 to 2017. What is the title of the journal article?

Find one news article from *Lexis Nexis Academic* or *Opposing Viewpoints* that contains useful news-related information on your topic. The journal article must include the full-text and have been published between the years 2010 to 2017. What is the title of the news article?

Find one reference resource from the *Gale Virtual Reference Library* that contains relevant background information on your topic. It can have been published during any year. What is the title of the reference resource? (Example: *Encyclopedia of Sociology*)
