Discussions with Prof. Joslyn Semichy regarding Comm. 100

Hi Pro. Semichy,

My name is Tim Ream and I will be the Librarian conducting the Library Instruction Session for your Comm. 100 course.

I was wondering if your students were working on any assignments or upcoming research papers tied in with Library resources and services?

Also, if you can send me a course syllabus, this definitely helps me construct a session that is both relevant and engaging for your students.

It is very nice to virtually meet you, and I will see you and your class on October 2nd.

Thanks,

Tim Ream

Hi Tim-
Thanks for your note.
My students will be working on/putting together research for their informative speeches on a culture/sub-culture. It's the second main speech they will give (they just did "How to"/Demo speeches).
I have attached my syllabus.
Please let me know if I can add any additional info.
Thank you.

Hi Prof. Semichy,

Thank you for the information here. Showing your students how to find information on a culture/sub-culture will be fun. I will follow-up with you if I have any additional questions before the instruction session. I look forward to meeting you and your students on October 2nd!

Thanks,
Tim Ream
