Search Strategy Worksheet

Step 1: Describe your topic question or statement

Step 2: Identify main concepts

Concept #1	Concept #2	Concept #3

Step 3: Find keywords and synonyms

You can use a subject encyclopedia, books or online resource like *Wikipedia* or *Visuwords* to help you find synonyms and related search terms. Synonyms, related and alternate spelling should be placed in the same *Concept* column.

Concept #1		Concept #2		Concept #3
OR	AND	OR	AND	OR
OR		OR		OR
OR		OR		OR
OR		OR		OR
