Course Evaluation

Class, we have spent 3 weeks together, and I have enjoyed every minute of it. I hope that you have gained some research skills that you can take with you as you complete your educational journey. Just as you gave me feedback after Week 1, I would appreciate your comments now that you have finished the class. Again, this survey is completely anonymous, so please provide honest feedback.

Thank you for your time. I wish you all the best in the future.
